Note by the Secretariat

1. In accordance with paragraph 8 of the annex to Economic and Social Council resolution 2008 (LX), the fifty-fourth session of the Committee for Programme and Coordination will be held at Headquarters from 2 to 27 June 2014.

2. In its resolution 1988/77 on its revitalization, the Council reiterated that the Secretariat should circulate relevant documentation in all working languages six weeks before the opening of sessions of the Council and its subsidiary organs.

3. In its resolution 53/208 B on the pattern of conferences, the General Assembly: (a) reiterated its request to the Secretary-General to ensure that documents were available in accordance with the six-week rule for their distribution simultaneously in the six official languages; (b) reaffirmed its decision that, if a report was issued late, the reasons for the delay should be indicated when the report was introduced; and (c) decided that, if a report was submitted late to the conference services, the reasons for the delay should be included in a footnote to the document.

4. In section IV of its resolution 64/230 on the pattern of conferences, the General Assembly expressed deep concern at the unprecedented high level of late submission of documentation, which, in turn, had a negative impact on the functioning of intergovernmental bodies, and, reiterating its request in its subsequent resolutions on the pattern of conferences, the latest of which was resolution 68/251, urged author departments to fully adhere to deadlines in meeting the goal of 90 per cent submission compliance.

(b) Consolidated conclusions, recommendations and other proposed actions;

(c) Relevant background information.

6. In those same resolutions, the General Assembly also reiterated its request that all documents submitted to legislative organs by the Secretariat and expert bodies for consideration and action have conclusions and recommendations in bold print.

7. In section IV, paragraph 66 of its resolution 68/251 on the pattern of conferences, the General Assembly reaffirmed its decision in section III, paragraph 9, of its resolution 59/265 that the issuance of documents in all six official languages on planning, budgetary and administrative matters requiring urgent consideration by the General Assembly shall be accorded priority.
